N.S. VOL. 55 NO. 26B MONDAY, MARCH 4 2013 7:00pm

**Bill No. 52 – *The Public Inquiries Consequential Amendments Act, 2012***

**Mr. Forbes:** Thank you very much, Mr. Deputy Speaker. My comments won't be very long indeed because this is a consequential Act and there was not much. And even as I review the minister's comments, pretty much the same. But it is important to know that when we do this, that it's important that we look at all the tentacles of legislation and that it's out there and we must make sure that everything is in place. And it is interesting that when you look through it, it is actually quite a list. It's a considerable list of Acts that must be amended and of course it only makes sense that we do that, and of course that they would follow hand in glove with the previous bill, Bill No. 51.

And so as I review this, this is relatively straightforward and I think that it will be very important that we have more questions on 51, 52. They come together, as I said, hand in glove, and I don't have much more to add than that, other than saying I would like to move adjournment of Bill No. 52, *The Public Inquiries Consequential Amendments Act, 2012*. Thank you very much.
